

Key components of GPcwd 2014-2015 Action Plan
Towards an Inclusive Development Agenda for ALL

Main Goal of Action Plan:

Influence the Post 2015 process to ensure that
children and adults with disabilities are visible and included
in the next Development Framework

Based on GPcwd partners' responses to survey¹ for Session on Post-2015 Development Agenda, three main strategic areas of action were identified:

| | | |
|--|---|--|
| Commitment & engagement of governments at global and national levels | Participation and engagement of children and adults with disabilities | Influencing Public Opinion through Awareness-Raising Campaigns |
|--|---|--|

For each **strategic area of action** respondents have identified the possible **components** below.
Please review them and add other key components that may have been missed.

DEADLINE: THURSDAY SEPT 19!²

Your input will be used in the development of the GPcwd Action Plan.

| | | |
|---|--|---|
| <ul style="list-style-type: none"> - Lobby governments to seek commitment to children with disabilities' needs; - Strengthen and consolidate national voices to one through facilitating collaboration; - Create evidence-based guide for national policies on CRPD implementation; - Advocate for better national data and mapping of children and adults with disabilities. <p style="text-align: center;">OTHERS</p> | <ul style="list-style-type: none"> - Ensure presence of children with disabilities in GPcwd work - Directly consult with CWD during Post-2015 process - Engage CWD and their families in Social Media campaigns - Promote global artistic expression on inclusion by CWD <p style="text-align: center;">OTHERS</p> | <ul style="list-style-type: none"> - Develop a Communication Strategy and global campaign to support Action Plan <u>including</u>: . Theme for International awareness day/event (Dec 3rd) . Celebrities for global campaign . Top political support shown in mass media . Communication strategy plan for each task forces . GPcwd advocacy Publication <p style="text-align: center;">OTHERS</p> |
