

TOWARDS AN INCLUSIVE AND ACCESSIBLE FUTURE FOR ALL

Voices of persons with disabilities on the post-2015 development framework

What:

Panel discussion with the author of "Towards an inclusive and accessible future for all: Voices of persons with disabilities on the post-2015 development framework."

This publication presents views and opinions of persons with disabilities on how to make inclusive development for all the world's people a reality. It is launched in conjunction with the High Level Meeting on Disabilities and Development on 23 September.

The UNPRPD is a unique partnership between UN agencies, persons with disabilities and their representative organizations, governments and others that works towards the effective implementation of the CRPD, including through promoting disability-inclusive internationally agreed development goals.
